

Strength In Members

On February 5 the Enfield Community Federal Credit Union Goes “Red for Women”: An American Heart Association Program

Enfield, CT – January 28, 2010 –

The Enfield Community Federal Credit Union (ECFCU) is participating in the “Go Red for Women” Program sponsored by the American Heart Association (AHA). The AHA promotes Friday, February 5 as National Wear Red Day. Wearing red signifies your support of the AHA and helps raise awareness of the fight against heart disease in women. Thanks to the participation of millions of people across the country, the color red and the red dress now stand for the ability all women have to improve their heart health and live stronger, longer lives.

The credit union is proud to support this program. On February 5 they will begin collecting donations to support the work of the AHA. Stop in that day and receive “kisses” from their staff – chocolate ones that is! There will also be FREE Blood Pressure checks from Noon – 1:30 p.m. and informative information about improving your heart health will be available. Donations will continue to be collected through the end of February.

For more information about the “Go Red for Women” Program please visit www.goredforwomen.org.
For more information about ECFCU please call 860-253-5100, visit their web site at www.enfieldcommunityfcu.org. or find them on www.facebook.com.

The Enfield Community Federal Credit Union has been serving members in the Enfield community for 70 years. As a not-for-profit financial cooperative, the ECFCU offers a full range of financial services including savings/checking accounts, teen/kid accounts, home banking, online services, loans and more. Membership is available to anyone who lives or works in Enfield, and their families. The ECFCU also partners with Enfield companies to offer their employees all the benefits of a credit union membership.
