Enfield Community Federal Credit Union staff donates toys to Toy for Joy

Enfield, CT – December 30, 2009 –

The Enfield Community Federal Credit Union (ECFCU) staff recently donated a variety of toys to the Enfield Police Department's Toy for Joy program. This program is intended to help needy children throughout Enfield experience the joy of Christmas. Last year, the community helped provide toys for many families in the area. The ECFCU staff unanimously decided to contribute to this toy drive in lieu of exchanging gifts.

"We at ECFCU feel it is more important to give to those in the community who are in need than to ourselves. Especially to those children who look forward to this magical holiday. For some children the presents from this toy drive may be the only ones they receive. We are happy to contribute what we can," said Nina Chrisanthopoulos, Marketing Specialist for the credit union.

The Toys for Joy program is designed to collect new, unwrapped toys and monetary donations all year round. It is with the support and donations from local residents and businesses alike, that makes this all possible. For more information about donating please call the Enfield Police Department at 860-763-6400 or visit
