## **Enfield Community Federal Credit Union Takes Part in United Way Day of Caring**

Manchester, CT – September 21 – Staff from the Enfield Community Federal Credit Union (ECFCU) took part in the United Way Day of Caring held on September 11. This volunteer event is the largest in the area and the kickoff to the annual United Way Community Campaign. Last year, more than 5,200 volunteers gave their time and talent to 165 non-profit organizations in the 40-town area on the United Way Day of Caring. Volunteers visited local non-profit organizations within the community and provided a variety of services ranging from painting, landscaping, cleaning and organizing, as well as other much needed services.

Credit Union staff members, Nina Chrisanthopoulos, Marketing Specialist and Trisha Carpe, Teller, volunteered their time at the C.A.S.T. Children's Theatre in Manchester. C.A.S.T. is a theatre group offering year-round productions and classes for youth ages 4 - 18. They also have a group known as C.A.S.T. *After Dark* offering theater productions for teens and adults. C.A.S.T. is a nonprofit organization run by volunteers and all funds raised are used to maintain their programs.

“We were pleased to participate in this event and volunteer at C.A.S.T. We assisted in organizing and cleaning their prop rooms along with other local volunteers. With the credit union philosophy being “people helping people” - this was a great opportunity for us to give back to the community and we had fun while doing so! We look forward to participating again next year.” said Nina Chrisanthopoulos.
