## **Girl Scout Troop Learns Money Management from the Enfield Community Federal Credit Union**

Enfield, CT – September 3, 2009 – The Enfield Community Federal Credit Union (ECFCU) recently hosted Girl Scout Troop #65032 of Somers. The group of 10 girls ages 10 – 11 came to the credit union to learn valuable money management skills as well as the history and philosophy of credit unions as a whole. The girls took a tour and then listened to a presentation from the credit union staff that covered a variety of topics including: Interest Rates, Saving Money, Credit Cards and Debt Management as well as Financial Careers. They then enjoyed refreshments and were each given a bag with fun items that included a \$1 Presidential Coin. For having completed this activity the Girl Scouts earned their Money Sense Badge.

“Everyone at the credit union was delighted to have this fine group of girls visit with us to learn important information regarding finances. We are proud of their hard work and their success in earning their badge. Our credit union has always strived to be a viable resource for our youth,” said Marilyn Conley, Vice President of Operations, Enfield Community Federal Credit Union.
