

Monty Time!

Have Fun and Learn About Saving Money with Monty Moose

from Enfield Community Federal Credit Union

Winter 2009

How does a credit union help you?

Your credit union helps you to learn:

- how to count change and paper money
- how to deposit money into your account
- how to save for that special item you want to buy

and as you get older it will teach you even more!!

Fun Fact

The most common paper money or "note" printed is the \$1 bill. More \$1 bills are printed than any other. \$1 bills comprise about 45 percent of all notes printed.

Where does money come from?

The United States Mint makes coins. Its main task is to make sure the people of the nation have enough coins to carry on daily business. The Bureau of Engraving and Printing makes paper money and, like the United States Mint, is an agency of the Department of the Treasury. In addition to coins for "commerce" (buying and selling), the United States Mint also makes other coins and medals for collectors. Where is the Mint? There are six places or "facilities" around the country that make up this federal agency.

To learn more about how money is made go to this web site with your parents/guardians permission:

<http://www.ustreas.gov/kids/>

You could even go visit one of the facilities to see it!

Youth Week

April 19 - 25

The Magic of Saving

We'll be celebrating so stay tuned for more info!

Raffles Give-a-ways and more!

You Can Win!

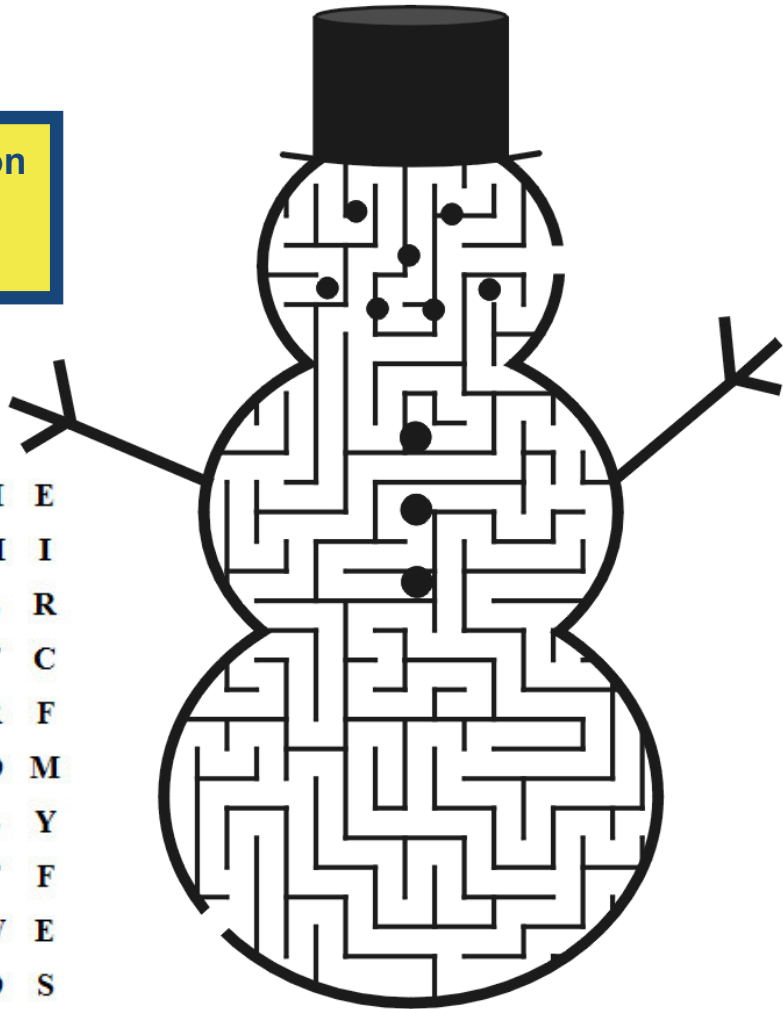

Saving money is fun at our credit union! We'll have a drawing from all our Monty Moose members up to age 10 who make a deposit from now until April 30, 2008.

Win a \$15 Target Gift Card!

Make sure you stop into the credit union during Youth Week with your parents or guardian for lots of fun!
